Ye Olde Annual Madrigal Celebration Approacheth!

As cooler weather approaches, the Taylor High School Choirs are busily preparing the 33rd Annual Madrigal Dinner celebration, a highlight of the THS Choir program. Within a matter of hours, parents and students magically transform an ordinary high school cafeteria into a grand Renaissance castle. The King and Queen and their Court, adorned in royal attire, will join in a celebration of the season, entertaining and delighting all with their magnificent voices. The wenches and beggars of the land, fondly known as the Taylor Choirs, will entertain the Royal Court with their joyous sounds. Commencing with a traditional wassail toast and the presentation of the "The Boar's Head," a traditional five-course meal befitting the times will be served to one and all.

On the evening of December 9th and the afternoon and evening of December 10th, over 800 parents, family and friends will attend Madrigal Dinner. To make it even more special, attendees have the opportunity to shop at our spectacular Silent Auction and enjoy the fun of competing for extra special gifts. Funds raised from this event are used to provide scholarships for outstanding students and to support the choir program at THS.

To be successful, though, we need your help. Please consider making a donation to our Silent Auction. Your tax-deductible donations of any size, shape, or value will help make this event a success. All donations are displayed with information about the donor, including business cards if provided. Receipts will be sent to all donors.

Taylor High School's choirs are ranked in the top 100 high school choirs in the United States. Our esteemed directors, Kevin Riehle, Sara Proodian and Susie Low are award-winning in their own right. We are truly blessed to have them guiding and teaching our young musicians and leaders of tomorrow. Please help us continue this wonderful program for our children and our community.

Thank you for your consideration. Donations can be mailed to THS Choir Department, or we will pick them up if you contact us by email or phone. Our students appreciate your support!

Sincerely,

Shannon Hill
